MEMORANDUM FOR: Chief, Plans and Programs Staff, OL

SUBJECT : Material for Presentation at the Winter
Conference of Deputy Directors

REFERENCE : Memorandum from the Director of Logistics
dated 6 Dec 1974

1. In reply to referent, OL/SS has again taken a serious look at all measures which would be feasible, practical, and realistic in the area of cost reduction and conservation.

2. As a result of this review, OL/SS has reached these conclusions:

a) In the area of cost reduction, anti-inflation measures, etc., OL/SS is already an active participant and carrying out its responsibilities to this end.

b) OL/SS does not believe there are further measures that can be taken at this time, which would provide significant cost reductions without lessening our total effectiveness as a staff and those services provided to various Agency components.

Deputy Chief, Security Staff, OL
